## ***Micro-Texture Specifications for this Plaque:***

---

- *Mold Material: P-20 at 35 Rc.*
- *Plastic Material: GP Styrene.*
- *Surface Preparation for MT  
Micro-Textures: SPI A-2 Finish.*
- *All Surface Measurements were  
taken with HOMMEL T-1000C.*
- *Contact your local Mold-Tech®  
Facility regarding application of  
these Micro-Textures.*
